## WEEKLY ANNOUNCEMENTS

### RELATIONSHIP CONFERENCE

The world we live in can pull you in all kinds of directions, causing strain in some of the most important areas of your life - including your relationship with your significant other. This event is one that will bring us together for a time of fellowship, food, worship, and candid conversations about marriage and how to center our relationships on the One that keeps it all together for us: Jesus. Register through our website: [www.urbanpoiema.com](http://www.urbanpoiema.com), \$20 per couple & \$12 per single.

### I LOVE MY CITY - February.

The most important gift is the gift of life! In March we will be conducting a blood drive at church, so the month of February, we ask you to sign up at our ILMC table in the back or in our website: [www.urbanpoiema.com/i-love-my-city-hidden.html](http://www.urbanpoiema.com/i-love-my-city-hidden.html)  
The quicker we sign up, the best chance we have to bring the blood drive to our church and community! Sign up & save a life!

### GROWTH TRACK

We need you! We believe that God called us to be a movement of hope! But in order to do that we need committed disciples of Jesus!  
This 4-week class will help you know what a committed follower of Jesus looks like at UP Church, and get you connected to our ministry and our mission to help those who are far from God, experience His Hope! Get connected and become part of our hope-giving team!  
Stay TODAY after service, lunch and childcare will be provided. Stay after!
